

WOODHAM GOLF CLUB LADIES SECTION

NEWSLETTER

As the season draws to a close, this is my final newsletter. I really do not know where the months have gone, but the year has really flown over.

All our major competitions have now been completed and in the main, were not too affected by the weather – we had to rearrange the Club Championship and we have scrapped some of the medal competitions, largely due to the course conditions, but all in all, it's been a really good year.

The standard of play of the Woodham Ladies continues to rise year on year it seems. Our juniors Rebecca and Stephanie have earned County and national recognition, Margaret Russell, County Vets – our teams have excelled themselves in the County Leagues and many members have played well in regional finals as well as Open competitions. Very well done to all concerned.

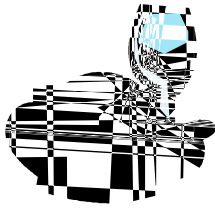

Our Committee has worked very hard this year and we have much to thank them for. As you know, at the beginning of the year, we reassigned key roles and tasks to individuals so everyone had a significant role to play – other members of the Section have also contributed enormously and it has been fantastic how everyone has pulled together and worked for one another. My thanks to all of you – it's been really appreciated and has made my task as Captain a lot easier. As a consequence, I hope that members will feel able to serve as Captain of the Section in the future.

We are now moving forward into a new golfing season and Linda Luke will be taking over as our new Captain at our November AGM. I am sure that we would like to wish her all the very best for her year and please make sure that you support her as much as you have me in her year.

Margaret Marshall on becoming a Great Grandmother recently and to Karen Edmond due to celebrate a big birthday later this month. The year of '59 was a popular year for a few of us!

Also, **best wishes** to Anne Sales who has not been in the best of health recently but hopefully, is well on the way to a full recovery.

Finally, my thanks to all of you for your amazing loyalty and support during my year. I could not have asked for more.
